
Bulletin Engineering Experiment Station

ta 160 - bureau of reclamation - in 1941, m. g. spangler, of the iowa state engineering experiment station, published a design procedure [1] 1 for the underground installation of flexible pipe. spang-ler and watkins [2] later modified the formula to in-clude a more realistic value for the soil parameter. tile modified iowa formula is given as: $k_w r^3$ **university of illinois at urbana-champaign** - engineering experiment station bulletin no. 276 june, 1935 stress concentration at fillets, holes, and keyways as found by the plaster-model method by fred b. seely professor of theoretical and applied mechanics and thomas j. dolan instructor in theoretical and applied mechanics engineering experiment station **university of illinois at urbana-champaign** - engineering experiment station bulletin no. 274 may, 1935 a supplementary study of the locomotive front end by means of tests on a front-end model by everett g. young research professor of railway mechanical engineering engineering experiment station published by the university of illinois, urbana **bulletin of the university of minnesota - conservancy.umn** - bulletin of the university of minnesota engineering experiment station frank b. rowley, director bulletin no. 18 condensation of moisture and its relation to building construction and operation frank b. rowley, m.e. professor of mechanical engineering axel b. algren i m.s. c m.e.) assistant professor of mechanical engineering and **r-109 - the use and treatment of granular backfill** - engineering experiment station bulletin 107 the use and treatment of granular backfill by roy l. greenman soils engineer michigan state highway department in cooperation with the michigan engineering experiment station michigan state college summer 1948 michigan state college michigan engineering experiment station east lansing **measurement of irrigation water - digitalcommons@usu** - the present bulletin incorporates most of the tables contained in exten sion bulletin no. 166, "measurement of irrigation ivater-a handbook of discharge tables for ditch riders and irrigators" by james r. earker, which was prepared for use with engineering experiment station bulletin no.2. **bulletin of kansas state agricultural college vol. 42 the ...** - bulletin no.5 engineering experiment station manhattan, kansas march, 1916 kansas state printing plant. w. r. smith, state printer. topeka. 1916. 6-4207 engineering experiment station. the engineering experiment station was established for the purpose of carrying on tests and **iowa engineering experiment station** - treated roadway surfaces", was investigated at the iowa engineering experiment station under project 375-s. the purpose of the project as originally proposed was to study the physical and chemical characteristics of chemically treated roadway surfaces. all chemical txeatments were to be included, but only sodium **environmental physiology and shelter engineering** - research bulletin 531 september, 1953 university of missouri college of agriculture agricultural experiment station j. h. longwell, direclor environmental physiology and shelter engineering with special reference to domestic animals xxiii. the effect of humidity on insensible weight loss, total vaporized moisture, and **m. n. popovich - oregon state university** - the oregon state engineering experiment station was established by act of the board of regents of the college on may 4, 1927. it is the purpose of the station to serve the state in a manner broadly outlined by the following policy: (1)to stimulate and elevate engineering education by developing the research spirit in faculty and students. **moisture and t emperoture control in buildings utilizing ...** - tion to building construction and operation (university of minnesota engineering exper iment station bulletin no. 18, 1941). 3 f. b. rowley and c. e. lund, vapor transmission analysis of structural insulating board (university of minnesota engineering experiment station bulletin no. 22, 1944). **twin views of the tacoma narrows bridge collapse** - lege engineering experiment station bulletin (college station, tx)1 and the university of washington engi- neering experiment station bulletin (seattle, wa)2; and from private communication with burt farquharson, director of the engineering experiment station at the university of washington . more recent analysis is found in a paper by k .y . **ground-water problems in highway construction and maintenance** - problems of highway engineering and water supply manifested itself in de cember 1949, when the state entered into a cooperative agreement with the united states geological survey. at that time the state was represented by the university of delaware's agricultural extension serviceand experiment station and by the state highway department. **protein concentrate animal feed supplement** - the oregon state engineering experiment station was established by act of the board of regents of oregon state college on may 4, 1927. it is the purpose of the station to serve the state in a manner broadly outlined by the following policy: (1)to stimulate and elevate engineering education by developing the research spirit in faculty and students. **north carolina building code - ncdoi** - bulletin no. 10 engineering experiment station north carolina building code prepared by the north carolina building code council published in cooperation with the north carolina building code council north carolina state college of agriculture and engineering of the university of north carolina raleigh august, 1936 **sb243 1927 equipment for swine production** - october, 1927 bulletin 243 agricultural experiment station cooperating with engineering experiment station kansas state agricultural college manhattan, kansas equipment for swine production printed by kansas state printing plant b.p. walker, state printer topeka 1927 12-439 **economics of rural distribution of electric power ...** - (university of missouri bulletin. engineering experiment station series) , then you have come on to the correct site. we have economics of rural distribution of electric power, (university of missouri bulletin. engineering experiment station series) doc, djvu, txt, pdf, epub forms. we will be pleased if you will **10. hopper design - inti.gob** -

bulk solids", bulletin 108, university of utah engineering experiment station, october 1961, and bulletin 123, november 1964.* hoppers are used in industry for protection and storage of powdered materials. hoppers must be designed such that they are easy to load. more importantly, hoppers must be designed such that they are easy to unload. **lateral pressures on retaining walls due to backfill ...** - lateral pressures on retaining walls due to backfill surface loads m. g. spangler, research professor of civil engineering, and jack l. mickle, research associate iowa engineering experiment station, iowa state college for many decades the traditional method of evaluating the lateral pressure **environmental physiology - asrcr.missouri** - july, 1951 research bulletin 479 university of missouri college of agriculture agricultural experiment station j. h. longwell, director environmental physiology with special reference to domestic animals xiv. influence of temperature on insensible weight loss and moisture vaporization in brahman, brown swiss, holstein and jersey cattlc h. 1. **inventory of indiana county bridges - docsb.purdue** - bulletin, "planning and financing county bridge programs," purdue univeristy, engineering experiment station, county highway series n o. 6, march 1963. this bulletin was published and widely distributed to county road officials throughout the state. the earlier bulletin reviews several areas of information on county **homemade rubber tired wagons and trailers** - this were reported in bulletin 333, "homemade rubber tired carts and trailers," of the south dakota agricultural experiment station. these tests agree with information from many other sources on tests of steel wheel ver sus rubber tired wheels. the rubber tired trailer provided a vehicle that would travel at high speeds **california pipe method of flow measurement** - the california pipe method of water measurement, engineering news record, august 21, 1924, rohwer, c., discharge of pipes flowing partly full, civil engineering, american society of civil engineers, 1942 **milk processing and distribution costs - dairy markets** - maine agricultural experiment station technical bulletin 140 introduction this study was conducted for the maine milk commission (mmc) of the maine department of agriculture, food and rural resources. the mmc is a non-industry commission responsible for implementing maine's milk-related rules and regulations. **environntal physiology and shelter engineering** - research bulletin 593 october, 1955 university of missouri college of agriculture agricultural experiment station j.h. longwell, director environntal physiology and shelter engineering with special reference to domestic animals xxxvi. interrelations between temperatures of rumen (at **concrete fence posts - lib.dr.iastate** - ing section of the agricultural experiment station and reported in this bulletin. the essentials of design, the requisites in materials and the methods of making are also presented and the whole subject dis cussed from the standpoint of service, practicability and econ omy, including an estimate of the cost of the various types of **the hot-melt plastic stripe as a pavement marking material** - the hot-melt plastic stripe as a pavement marking material by charles j. keese assistant research engineer texas engineering experiment station bulletin no. 130-march 1953 materials & tests library fexas highway department the texas a. and m. college system gibb gilchrist, chancellor texas engineering experiment station **storage structures for grass silage - south dakota state ...** - experiment station 5-1-1959 storage structures for grass silage g. c. zoerb h. g. young ... this bulletin is brought to you for free and open access by the south dakota state university agricultural experiment station at open prairie: open public research access institutional repository and information exchange. ... agricultural engineering ... **big sunflower river watershed assessment** - department of agricultural and biological engineering priyantha jayakody graduate research assistant department of agricultural and biological engineering big sunflower river watershed assessment: preliminary report this document was approved for publication as mafes bulletin 1203 of the mississippi agricultural and forestry experiment station ... **the relation between the elastic strengths of steel in ...** - engineering experiment station bulletin no. 115 november, 1919 the relation between the elastic strengths of steel in tension, compression, and shear by fred b seely associate professor of theoretical and applied mechanics and william j. putnam associate in theoretical and applied mechanics engineering experiment station **shock and vibration bulletin - apps.dtic** - " •l 'bulletin 57 (part 1 of 4 parts) 00 the shock and vibration bulletin part 1 ... for research and engineering approvcd 'or public rclc.,ke. distrihution unhimilcd '1 ') ... experiment station, vicksburg, ms response of nonreinforced masonry walls to conventional weapons **2.7 conical burners - united states environmental ...** - 9. r. w. boubel, "particulate emissions from sawmill waste burners", engineering experiment station, oregon state university, corvallis, or, bulletin number 42, august 1968, p. 7-8. 10/92 (reformatted 1/95) solid waste disposal 2.7-3 **th edition roger l. jones frank j. korkowski - texas a&m ...** - highlights of draft api 610 12th edition roger l. jones rotating equipment consultant task force chairman api 610 houston, texas, usa jeremy cooper rotating equipment engineer ... texas a&m engineering experiment station shaft guards, although with some differences. unlike the coupling guard, woven wire is an acceptable approach, since **using gis as an agricultural land-use planning tool** - virginia agricultural experiment station bulletin 00-2 ____ using gis as an agricultural land-use planning tool amber l. (williams) coleman john m. galbraith department of crop and soil environmental science college of agriculture and life sciences virginia tech december 2000 **design of driprigation lines** - hawaii agricultural experiment station college oftropical agriculture university ofhawaii technical bulletin 96 design of drip irrigation lines errata page 8, equation 19: page 13, equation 28: page 15, under equation 35, line 26: should read $6h = a qm 6l$ instead of $6h = a qm$ should read $q_i = c_j v_{hf}$ instead of $q_i = c_j y'_{hj}$ should read "the ... **r-118 - an appraisal of the membrane method of curing ...** - engineering experiment station bulletin 108 winter

1949 an appraisal of the membrane method of curing concrete pavements by c. c. rhodes chemical research engineer michigan state highway department and j. r. evans engineering experiment station investigation conducted by the michigan state highway department in co-operation with **b521: containers for shipping apples** - experiment station, was in charge of the rhode island phase of this project. j. g. garvin, extension service visual aids specialist. retail stores and warehouses of the great atlantic and pacific tea co. and the first national stores, inc., cooperated in handling and in the sale of the apples of various shipments to portland, maine. **lay-flat irrigation tubing - naldclda** - lay-flat irrigation tubing 5 represented by a shape factor term in the expression. to the authors' knowledge, however, no equations have been developed for closed conduit flow covering the entire shape range between round and rectangular. since the general head-loss equation, equation 10, is the same for **nutritional qualities of range forage plants in relation ...** - conducted by the bureau of plant industry, soils, and agricultural engineering and the oldahoma agricultural experiment station. the work coveii^ anätica! and related phases of a comprehensive grazing investigation conducercooperatively by these agencies, the bureau of animal industry, and the soil gonserva- «tnlt'^dgencies. **nptel - advanced foundation engineering-i** - nptel - advanced foundation engineering-i references ahlvin, r. g., and ulery, h. h. (1962). "tabulated values of determining the composite pattern of stresses, strains, and deflections beneath a uniform load on a homogeneous half space," highway research board bulletin 342, pp. 1-13. american society for testing and materials (1982). **ohio department of natural resources** - ohio department of natural resources division of water basin descriptions and flow characteristics of ohio streams by michael c. schiefer, ohio department of natural resources, division of water bulletin 47 columbus, ohio 2002 robert taft, governor samuel speck, director engineering experiment station, bulletin 127, ohio stream flow, part **spill ways^ - usda** - ceptable accuracy from data published by prof. f. t. mavis in bulletin no. 56 of the pennsylvania state college engineering experiment station entitled "the hydraulics of culverts." the following table has been prepared from fig. 23 of this bulletin. **43rd turbomachinery & 30 th pump users symposia (pump ...** - korkowski received his b.s. in industrial engineering from new jersey institute of technology with post-graduate studies in engineering and business administration at lafayette college and **ill in i s - citeseerx** - engineering experiment station bulletin series no. 353 an analysis of the motion of a rigid body by edward w. suppiger associate in theoretical and applied mechanics published by the university of illinois price: seventy-five cents **agricultural. experiment station - auroraburn** - nd experlimInt station bulletin no. 194 february, 1917 alabama agricultural. experiment station of the alabama polytechnic institute auburn growing peanuts in alabama a popular edition of bulletin no. 193 by j. f. duggar, e. f. cauthen, j. t. williamson, O. h. sellers.. 1917 post publishing company opelika, ala. **coal and coal mining in washington** - coal and coal mining in ,v ashington by stephen h. green introduction coal is one of the most abundant mineral resources of this state, there being an ample tonnage available for all requirements that can now be **fly ash and sodium carbonate as additives to soil-cement ...** - fly ash and sodium carbonate as additives to soil-cement mixtures coleman a. o'flaherty, manuel mateos, and donald t. davidson, respectively, assistant professor of engineering graphics, research associate, and professor of civil engineering, iowa engineering experiment station, iowa state university of science and technology, ames **flow of water through one and one-half inch pipe and valves** - purdue university purdue e-pubs experiment station bulletin college of engineering 1-1-1918 flow of water through one and one-half inch pipe and valves **embree lumber company - university libraries** - 4 37 university of illinois bulletin- engineering experiment station circular series- fuel and coal, 1942 38 keystone coal buyers manual, 1945 39 coal mine directory, 1953 40 indiana coal, n.d. 41 "the fusion point"- christmas issue- southern coal company inc, 1951 42 journal, 1948-1953
